Mothers Association Book Award Winners

URBANA – The Mothers Association at the University of Illinois at Urbana-Champaign recognized the 2007 Book Award recipients at the Mothers Association Annual Awards Banquet during Moms Weekend. The Association donates \$15 to the library of each student's high school to be used toward the purchase a book in honor of each winner. Recipients have earned all A's for 14 or more graded-credit hours of course work during their first semester at the University of Illinois. This award also recognizes the role of the student's high school in making this achievement possible.
