Dads Association Names Library Award Winners

URBANA –The Dads Association at the University of Illinois at Champaign-Urbana honors academic achievement each year with the Library Award. The Association donates \$40 per winner to the University of Illinois Library. The donation is used to purchase a book in honor of each winner. Winners are selected based on academic achievement; the top three students, who have completed their sophomore year (60 hours), from a single college as well as all students who have a 4.0 cumulative GPA at the end of their sophomore year.
